

Make in India: "Opportunities in Electronics and Electrical Sectors" - The New Sunrise

14th April 2015, 9.30 am to 12.00 pm

Venue – India Central Pavilion, Hall 6, Hannover Messe, Germany

Programme Schedule

EEPC INDIA jointly with Department of Electronics & IT, Government of India, Department of Heavy Industry, Government of India and ZVEI (German Electrical and Electronics Manufacturers Association) is organizing a seminar on "Make in India: Opportunities in Electronics and Electricals segment".

India aims to increase industry competitiveness in the electricals and electronics segment through technology up-gradation, skill development and focus on enhancing domestic manufacturing capabilities through joint ventures and technical collaboration. The seminar aims to chart the road map for the growth of the industry, develop global partnerships for collaborations through exchange of important research, innovation and sustainable knowledge.

0900Hrs	Registration
0930Hrs	Inaugural Session
0930 –0933Hrs	Introduction to the Seminar : Mr. Anupam Shah, Chairman, EEPC India
0933 – 0936 Hrs	Welcome Address : Mr. RS Sharma, Secretary, Department of Electronics & Information Technology, Government of India
0936 –0950 Hrs	Keynote Address : Mr. Ravi Shankar Prasad, Minister for Communications & Information Technology, Government of India
0950 –0955Hrs	Panel Discussion I: Positioning India as Manufacturing and Exporting Hub-Electronics Moderator: Dr. Joachim Richter, Project Finance International & Chairman of ZVEI Foreign Trade committee.
0955 –1005 Hrs	Presentation by Ernst & Young "Electronics Sector- Results from Study on Indo-German collaboration in High Technology"
1005 –1055Hrs	Presentation by Dr. Ajay Kumar, Joint Secretary, DeitY, GoI followed by Panel Discussion Mr. RS Sharma, Secretary, DeitY, GoI Mr. Ajit Manocha, Co-Founder m2i-International, USA (ex CEO, Global Foundries) Dr. Gururaj Deshpande, Chairman, Tejas Networks, USA Mr. Dinesh Paliwal, Chairman & CEO, Harman International, USA Mr. Klaus John, Head of International Trade & Future Markets Department, ZVEI Prof Dr Christoph Kutter, Director, Fraunhofer Research Institution for Microsystems and Solid State Technologies EMFT Q & A session
1055 –1100 Hrs	Change over & introduction to Electricals session by Mr. T. S. Bhasin, Sr. Vice Chairman, EEPC india

	<p>Panel Discussion II: Potential for partnership & growth-Electricals Moderator : Dr. Joachim Richter, Project Finance International, who is the chairman of ZVEI Foreign Trade committee.</p>
<p>1100–1155Hrs</p>	<p>Keynote address by Mr. Anant Geete, Minister, Ministry of Heavy Industries & Public Enterprises, GOI</p> <p>Mr. Rajan Katoch, Secretary, Department of Heavy Industry, GOI (Opening remarks on Government Policy and Initiatives for development of Electrical Engineering sector in India) followed by panel discussuion</p> <p>Mr. B.P. Rao, CMD,BHEL</p> <p>Mr. Vishnu Agarwal, MD, Technical Associates Ltd.</p> <p>Mr. Rishi Khanna, MD, C & S Electricals</p> <p>Mr. Kirsch Johannes, Senior Director, International Relations, ZVEI</p> <p>Mr. Sunil Mathur, MD, Siemens India Ltd.</p> <p>Prof Dr Christoph Kutter, Director Fraunhofer Research Institution for Microsystems and Solid State Technologies EMFT</p>
<p>1155 –1200Hrs</p>	<p>Conclusion & wrap up of the session</p>
