Like every year, General Assembly is intended to discuss about the performance of IASH for the year and also to take some crucial decisions for the better running of the organization for the next year.

This time we will also have elections for the posts of President, Vice President and Treasurer.

The assembly can be attended by both members and non members, so we kindly invite both members and non members to attend the event.

Topics for Discussion :

- General Feedback on the events organised in the year 2015.
- Electing the new board (President, Vice President, Treasurer) for the year 2016.
- Presentation of the Financial Statement (Income and Expenses) for the year 2015.
- Presentation of the results of the online survey about the performance of IASH for the year 2015. (Online survey will be sent in November 2015)

We the Board members request everyone to attend the meeting as some crucial decisions have to be made regarding the future functioning of IASH, without the minimum quorum (at least 1/3 rd members) no decisions can be made as per the constitution. So we personally request your active participation.

Looking forward for your participation!!

IASH Board
