About IASH: IASH is a non-profit, non-political students organisation, to serve and bridge connection between Indians living across and outside Hannover. We have a strong support from Consulate General of Hamburg and other Indian student associations in Germany. For our closely knit Indian community, we organise several events throughout the year ranging from festival celebrations, movie evenings to sports events. For more information, please visit ias-hannover.de or join us on facebook IASH Board.

For any queries, please contact us.

The countdown has started with 4th October marking the start of winter semester 2017/18 at Leibniz University Hannover and for many of you, it may be the first time in Germany. To make the transition from India to Germany smooth and engaging throughout your stay, Indian Association Hannover (IASH) invites you all for the Freshers Welcome Meet 2017-18. The event aims to inform students about different aspects of their stay in Germany such as health insurance, city registration, cultural acclimatisation, etc. The information shared during the event is not limited to current students. Therefore, past and prospective students, researchers and working professionals wishing to connect are welcome to join.
